Dear Mr Steggall

Open Evening: Monday 24 June, 6pm – 8pm

I am writing to let you know about an Open Evening will take place here on Monday 24 June between 6pm and 8pm. Please find enclosed some information about the event which I hope you will be willing to share with your parents. If you would like an electronic copy, please let us know. I also enclose some copies of a small pamphlet about the school and the process of application.

Having now secured over £10M to support our Assistant Places scheme, we are well placed to fulfil our commitment to make the school accessible to boys of high ability regardless of parental income. Almost a fifth of the boys who started here in September 2018 are here on means-tested Assisted Places and the same will be true for September 2019. We are also offering a wide range of enrichment opportunities as part of an Outreach programme through which we already work with 170 primary schools. If your school is not already involved and would be interested in finding out more, please do contact us on outreach@kes.org.uk.

We also have an Open Morning on Saturday 14 September, 10am – 12.30pm. I will send you details about these in due course. If you or any parent would like to know more about our Assisted Places, information is available on the school's website, www.kes.org.uk/scholarships-and-assisted-places or from myself, on 0121 415 6056 or admissions@kes.org.uk.

It is also important to note that an application to King Edward's School is additional to any application that parents make on the Local Authority form.

I look forward to seeing some of your pupils here in the coming months.

Yours sincerely

Mrs Nicole Phillips
